INDIVIDUAL MEMBERSHIP APPLICATION- PAGE 2

Membership Benefits

No less than 120 (One Hundred Twenty) available track days per year, which will run rain or shine. Access to Clubhouse, private showers and bathrooms for members and their guests during Club Member Lapping Days, from opening until 7:30 p.m..

Member will be granted photo membership identification.

Track sessions will typically run between 9:00 a.m. and 5:00 p.m., and run in 3 groups: street cars, race-prepared cars, and sports racers/formula cars. Number of groups each day may increase or decrease depending on the number and type of cars in attendance each day. There may be a 30-minute break for lunch each day for all safety workers, if corner workers are on station.

Members will be granted two one-day driving guest passes annually. Additional guest passes may be purchased in advance. All guests must have the similar track experience to Member and be submitted for approval prior to attending any lapping day.

At the end of the Term of the Membership, renewal is guaranteed at whatever the current Membership Fee cost is at the time, provided that Member is in good standing with The Club. Annual dues will not increase during the initial term of the Membership.

Before the end of the first year, if Member decides to cancel Membership, the remaining term of the Membership will be voided and half of the original Membership Fee will be refunded within 30 days of written notice of cancellation.

Membership Requirements

Members must notify Putnam Park a minimum of a day in advance of the Club scheduled days they would like to run. Members must register the morning of each lapping day, and given wristband, which must be clearly displayed each time prior to entry on to the track. It is the responsibility for members to have their vehicles professionally inspected prior to each lapping day. Only approved vehicles may be driven on the track. SUVs and trucks are not permitted in the club. Management reserves the right to refuse a vehicle for any reason.

Members agree to adhere to the rules and regulations in the Member Manual that will be issued upon acceptance of the Membership Application. Membership may be revoked without refund by management if annual dues are not paid by deadline, any crime is committed by a member or guest on the property, or for infraction of any rule or regulation in the Member Manual.

Members are encouraged to have annual physical examinations by a physician prior to driving in any Club event.

Membership Limitation

Membership may not be transferred.
